Adam,

I recieved an email from Annie Khan at the state lab that you have her under subpoena for a case on 09/22. Can you check to see if your case is likely to go forward that day? I have a guy held in custody charged with trafficking 100+ grams of coke in a school zone and the judge is pushing this case to trial (it's a good case and the defendant will get 10 years and then be deported - again).

Please let me know the status of your case. If you case is likely to go, then let's try to coordinate Annie's court appearance. I would likely be calling here first thing on 09/22 which should give her plenty of time to go Wrentham.

Thanks,

Garrett

Annie,

Thanks for getting back to me. If you could send me a discovery package that would be great. Do you have the cert numbers? My address is:

Garrett Fregault  
Bristol DA's Office  
888 Purchase Street  
5th Floor  
New Bedford, MA 02740

I will also keep you updated on the trial date. Can you let me know what you have going on that week? I am happy to schedule around your conflicts as much as possible (I do not anticipate that you would testify on the first day of trial).

Thanks,

Garrett

P.S. Do you know what Della's availability is that week?
